

ARIZONA GOLD AND GOLDEN PREDATOR SHAREHOLDERS APPROVE BUSINESS COMBINATION

Vancouver, BC – August 25, 2021 – Arizona Gold Corp. (“**Arizona**”) (TSX: AZG, OTCQB: AGAUF) and Golden Predator Mining Corp. (“**Golden Predator**”) (TSX.V: GPY, OTCQX: NTGSF) are pleased to announce that shareholders of both Arizona and Golden Predator have overwhelmingly approved all matters voted on at Arizona’s special meeting as well as at Golden Predator’s special meeting held earlier today, including the proposed acquisition by Arizona of all of the outstanding common shares of Golden Predator by way of a proposed plan of arrangement (the “**Arrangement**”), pursuant to the terms and subject to the conditions of the arrangement agreement between Arizona and Golden Predator dated June 28, 2021.

Subject to the satisfaction or waiver of the remaining conditions to the Arrangement, including approval of the Arrangement by the British Columbia Supreme Court, which application will be heard on August 30, 2021, closing of the Arrangement is expected to occur on September 2, 2021.

Under the terms of the Arrangement, all of the issued and outstanding common shares of Golden Predator will be exchanged for common shares of Arizona on the basis of 1.65 common shares of Arizona per common share of Golden Predator (the “**Exchange Ratio**”). Following completion of the Arrangement, current Arizona shareholders and former Golden Predator shareholders will own approximately 55% and 45% of the combined company common shares, respectively.

Name Change to Sabre Gold Mines Corp.

Arizona also intends to proceed with a name change to Sabre Gold Mines Corp. (“**Sabre Gold**”) in connection with the closing of the Arrangement. The common shares of the new Sabre Gold are expected to trade under the ticker symbol ‘SGLD’ on the Toronto Stock Exchange. The company expects to begin trading under its new name on the OTCQB and under a new ticker symbol by the middle of September 2021, until which time the company will continue to trade under the current OTCQB symbol (AGAUF). A new website for the combined company will also be launched in early September.

Golden Predator shares are expected to be delisted from the TSX Venture Exchange and an application will be made for Golden Predator to cease to be a reporting issuer on the date of closing of the Arrangement.

About Arizona

Arizona Gold is an emerging American gold producer advancing the restart of production at its 100% owned, fully permitted, past-producing Copperstone mine project, located in mining-friendly Arizona. The Copperstone mine project demonstrates significant upside exploration potential that has yet to be drilled within a 50 km² land package that includes past production of over 500,000 oz gold by way of an open-pit operation.

The company’s current focus is on maximizing Copperstone’s potential by defining and expanding current resources and further optimizing the mine’s economics for purposes of the restart of gold production in the near-term as a result of the recent project funding transaction with Star Royalties Ltd.

About Golden Predator

Golden Predator is advancing the past-producing Brewery Creek mine towards a timely resumption of mining activities in Canada’s Yukon. The project has established resources grading over 1.0 g/t gold and both a technical report and Bankable Feasibility Study underway to define the economics of a restart of heap leach operations at the Brewery Creek mine. The 180 km² brownfield property is located 55 km by road from Dawson City, Yukon and operates under a Socio-Economic Accord with the Tr’ondëk Hwëch’in First Nation. The company also holds the Marg project, with a NI 43-101 compliant resource, the Gold Dome project and the Grew Creek project.
